

Thank you for considering Bunches of Arches for your birthday celebration!

We are excited about the opportunity to create a fun and memorable experience for you and your guests.

Birthday packages, pricing varies depending on any customizations you select, what add-ons you want and any special details you would like included. We offer multiple options to help personalize your event.

Our birthday party package includes exclusive venue use within our Barn Play Space Area!

A birthday party package includes:

2 hr access to the Barn Play area for play and cake and celebrations

Set up pre-event and clean up post event

30 minutes space access pre event

You provide your own cake, snacks

Following the reserved party time, guests are welcome to explore the farm grounds and visit the animals during **regular open season hours**.

Optional Farm Activity Add-Ons:

- Cow Safari Ride

Each wagon accommodates up to 20 guests per ride. The Cow Safari is one of Eastleigh's most popular attractions and offers a unique, interactive experience for party guests. Please note that this activity is weather dependent and may be canceled in the event of significant rain or muddy ground conditions for safety and field preservation purposes.

- Goat Feeding

Includes one cup of feed per child.

- Ice Cream Scoop

Includes optional sprinkles at no additional charge.

Ice Cream Truck "Open Tab" Option:

In addition to the standard scoop option, we also offer an à la carte ice cream truck experience. Guests participating under your party tab would receive a wristband identifying them as part of your event. They may then order items directly from the ice cream truck menu. At the conclusion of the event, all purchases will be totaled by our staff, and final payment can be made afterward based on actual orders placed.

Please let us know if you would like assistance customizing a package for your event.

We would be happy to discuss your vision, party size, preferred date, and any special requests so we can provide you with more detailed information and pricing.
